Residential Lease on 0.02 Acres

FEDERAL HILL HISTORIC DISTRICT,
Baltimore, MD

Live in the heart of the city in Historic Federal Hill, but also close to Locust Point, so you get the best of both locations! This stunning, renovated home has a 2 car (yes a real 2 car) parking pad, so never worry about fighting for street parking again. This home has been meticulously maintained and offers an incredible layout that most homes in the city would be jealous of. The main level of the home has gleaming hardwood floors, recessed lighting, the traditional exposed brick wall, and a dreamy front bay window that drenches the space in natural light. The entire main level is an open concept so truly perfect for entertaining. The kitchen has been fully remodeled and shows a true sense of style with white shaker cabinetry, a custom tile backsplash and floating shelves for a modern farmhouse feel, gorgeous dark quartz counters, and excessive pantry space so bring all of your kitchen gadgets. There's a powder room on the main level so you don't have to run up the stairs. Off of the kitchen is the first level of the multi-level deck that leads to a roof deck with the most incredible city skyline views. Upstairs is a true retreat with an enormous primary suite with access to the second level of the deck, tons of closet space, and a remodeled luxury bath with double vanity, custom tiled shower, and frameless shower door. Just down the hall is a second bedroom with it's own private bath and generous closet space. There is a fully

finished basement that would make a great gym, playroom, or home office. Bring your ideas and make this your home today!
